Hello St. Andrew Catholic School Families,

### **Fostering Study Habits and Reading Fluency in the St. Andrew Catholic School Community**

It is a pleasure to address all of you on this occasion to discuss two fundamental aspects in the education of our students: study habits and reading fluency. At St. Andrew Catholic School, we strive to provide quality education and prepare our students for a future full of opportunities. Fostering these two aspects is essential to achieve this goal.

#### **Study Habits: The Key to Academic Success**

Study habits are the foundation upon which academic success is built. At St. Andrew Catholic School, we are committed to instilling effective study habits in our students from an early age. Some important guidelines to follow include:

1. **Establishing a Routine:** Help your child establish a regular study routine. Setting a fixed schedule for homework and study creates a conducive learning environment.
2. **Appropriate Study Space:** Ensure that your child has a quiet and organized study space at home, free from distractions.
3. **Planning:** Teach your child to plan their tasks and studies. The use of a planner or calendar can be a valuable tool.
4. **Setting Goals:** Help your child define clear and achievable study goals. Setting short-term and long-term objectives provides motivation.
5. **Breaks and Rewards:** It is important to remember that breaks are essential. Encouraging your child to take regular breaks and offering rewards for well-done work can boost motivation.

#### **Reading Fluency: Opening the Doors to Knowledge**

Reading fluency is a crucial skill for success in all academic areas. Moreover, it fosters a love for reading and lifelong learning. Some ways to improve reading fluency include:

1. **Daily Reading:** Encourage your child to read every day. Consistent practice enhances fluency and reading comprehension.
2. **Variety of Reading Materials:** Offer a wide variety of reading materials, from books to magazines and news, to stimulate interest in different subjects.
3. **Read Aloud:** Reading aloud is an excellent way to improve fluency. Ask your child to read aloud to you or other family members.
4. **Library Visits:** Make regular visits to the local library so your child can explore new books and resources.
5. **Be a Role Model:** Be a role model. Demonstrate your love for reading by reading yourself and sharing your reading experiences with your child.

At St. Andrew Catholic School, we believe that a strong education is built on a combination of effective study habits and developed reading fluency. By working together as a school community and encouraging our students in these aspects, we are laying the foundation for their success throughout their lives.

We appreciate your ongoing support in educating our students and look forward to seeing each of them grow as individuals committed to learning and personal growth.

Sincerely,  
 Dr. Cecy Ann Colon  
 Assistant Principal of Curriculum & Instruction
